## Patient Decon Redress Pak™

The **Patient Decon/Redress Pak™** is a low cost customizable kit that facilitates fast and efficient decontamination showering and redress. The patient's identification along with their personal items are recorded and tracked throughout the process including initial medical screening. The Pre-Kit and the Post-Kit are both vacuum sealed to minimize storage requirements and are equipped with EZ tear strips for easy opening. The Pre-Kit is usually distributed at the beginning of the decon line with the Post-Kit at the end. These kits can also be packed in plastic zipper sealed bags for easy opening and removal of components as needed. Adult and Children Sizes Available.

## Influenza - EVD - MERS Response Pak™

An **Influenza - EVD - MERS Response Pak** for protection against both aerosol and blood-borne pathogens. The clear EZ open Pak contains a N95 Mask, non-vented goggles, two pairs of nitrile gloves, small roll of ChemTape and your choice of a **BizTex, Indutex, or Kappler** full body coverall with attached hood and skid resistant boots meeting European Standards for comprehensive biological and virus protection. The Kappler ProVent 10,000 coverall also meets and passes both ASTM F1670 blood penetration and ASTM F1671 viral penetration tests. This Response Pak can also be customized to meet the specific needs of the user.

## Chem-Bio Suit Pak™ for Healthcare

The **Chem-Bio Suit Pak™** is a user-defined collection of personal protective equipment items that are vacuum-sealed in a heavy duty mylar lined foil bag with an EZ tear opening. An example of the contents include a chemical protective suit, chem-tape EZ peel strips, outer nitrile or butyl rubber gloves, inner chloroprene gloves, and SF Chem-Bio Overboots all sized to user specifications. Suit selection includes either Tychem and CPF3 ensembles or the more popular **Kappler Zytron 300 ensemble with wrist and collar cotton trim** that facilitates wearing a powered air purifying respirator or PAPR. It is low in cost with quantity discounts available. **Also available with attached inner and outer gloves.**
